

Victoria

Victoria

The Victoria is a classic design proudly translated from the Art Nouveau or Liberty period and this beautiful handcrafted piece truly captures the opulence of those times. Each piece is individually hand cut and then tailored by a single bench trained craftsman and accurately lock stitched by our quality trained seamstresses to produce an attractive, luxurious and contoured piece of the finest quality. The model consists of hardwood frame glued, screwed and dowelled; full coil mesh top sprung unit throughout.

A choice of cushion interiors are available, from sumptuous Dacron®, luxurious duck feather or strata reflex foam. Scatter cushions are duck feather as standard with the option of fibre. Alternative frame finishes are available from our Italian show wood gallery.
